How to use nlist :

- 1. At very first a student has to visit the library or download the form from the library website to get access to the NLIST. Fill up the form and submit it to the librarian.
- 2. Then the librarian will give the login id and One Time Password through email.
- 3. Then in the email there will be a link , through the link the student needs to set the login id and password using the OTP.
- 4. After setting the id and password the student can visit the NLIST webpage through college library webpage or by searching from google engine.
- 5. First click on the link of NLIST in college library webpage.

6. The NLIST webpage will open.

7. Click on the E-Resources

8. The E-resources page will open .
