# STUDENT SATISFACTION SURVEY
2019-2020 Academic Session

To continuously improve and foster the well-being of our students, a Student Satisfaction Survey was administered to 305 participants during the 2019-2020 academic session. The survey aimed to gather feedback on various aspects of the educational institution, including basic infrastructure, administration, security, discipline, course curriculum, and feedback on teachers. The results of the survey are summarized in the following diagrams.
