

STUDENT SATISFACTION SURVEY 2021-2022 Academic Session

To continuously improve and foster the well-being of our students, a Student Satisfaction Survey was conducted to 240 participants during the 2021-2022 academic session. The survey aimed to gather feedback on various aspects of the educational institution, including basic infrastructure, administration, security, discipline, course curriculum, and feedback on teachers. The results of the survey are summarized in the following diagrams.
